Re: Incomplete Notice of Transfer Form, Barneys Canyon Mine, M/035/009, Salt Lake County, Utah

Dear Mr. Kerstiens:

Today we received the Transfer of Notice of Intention for the Barneys Canyon Mine, which would effectively transfer the operation from Kennecott Corporation (Kennecott Holdings Corporation) to Kennecott Barneys Canyon Mining Company.

The transferor and transferee pages were not signed or notarized. Pages 3 and 4 need to have all blank lines completed, then the pages need to be signed and notarized before we can effect the change. We are returning the transfer form to you. Your help in expediting this transfer process is appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".

Joelle Burns
Minerals Secretary
